

Safety Bulletin

To minimize the chance of spreading the COVID-19 virus, plus any other virus or bug, we have instituted several procedures and policies.

Please Note:

- If you are not feeling well, please choose to join the online service instead of coming to the church building.
 - Review the health screening checklist that was sent out.
 - If you are ill, please wait 14 days before rejoining the service here in the building.
- Upon entering the building:
 - All will immediately have hand sanitizer dispensed to them
 - All must wear a mask. *If you do not have one, one will be provided for you that you can be left with us when leaving and it will be washed and available the following week.*
- Face masks must be worn throughout the service, including song service. *(Feel free to step outside if you need to remove it for a bit)*
 - The pastor will take his off when giving the message but will practice staying 12' or more from anyone.
- Our entry is small, so when entering, please head into the main sanctuary and find your seat.
- We should have at least a 6' distance between us. Family groups should sit together.
 - All children and teens must sit with their families.
- There will be no children's church available at this time.
- Coffee will not be available during before or during service.
- After service, feel free to fellowship in the sanctuary instead of the entry, remembering to social distance and wear your facemask.
