Sir Eardley Wilmot's Advice

A gentleman who had filled many high stations in public life, with the greatest honor to himself and advantage to the nation, once went to Sir Eardley Wilmot in great anger at a real injury he had received from a person high in the political world, which he was considering how to resent in the most effectual manner.

After relating the particulars to Sir Eardley, he asked if he did not think it would be manly to resent it. "Yes," said Sir Eardley, "it would doubtless be manly to resent it, but it would be Godlike to forget it."

This the gentleman declared had such an instantaneous effect upon him that he came away quite another man, and in temper entirely altered from that in which he went.

Church Work Projects

To minimize any possible spreading of any illness, we will not have a church work night or cleaning night this fall. But we still have several projects that need attention.

Please contact Pastor John if you are able to help or take care of one of the following projects.

- *Repair of the church snowblower - WIP*
- Picking up 8 40-50lb bags of Ice Melt
- *Filling the Crack in the front stairs - WIP*
- Organizing the back shed for winter
- Installation of missing ceiling tiles in Fellowship Hall
- Installation of new battery in the elevator
- Organizing the loft area
- Deep Clean the bathrooms
- Bring fluorescent tubes to disposal site
- Replace blinking light in the kitchen
- *Moving of cabinets in the basement - WIP*

Many of these need to be completed by winter and that means by default the pastor will have to do them, unless someone else will volunteer to take care of the task.

Contact Pastor John if you can take care of one or more of these tasks.

Online Children's Church is being developed.

- Thank you to those volunteering to help and get involved with this project.
