

Our church membership policy is this:

That you offer yourself wholeheartedly and fully to God, that you involve yourself without reservation or delay in the life of His Spirit and of His Church.

The scripture declares that

“a man’s gift makes room for him”.

Such gifts as you possess we encourage you to develop and devote to His service.

You will find more than enough chance to lay your gifts before God if you will only look.

We recognize no system of seniority or privilege. Christ Jesus has equipped you and made you worthy, you are ready now.

In every way that we can we pledge ourselves to help you find your callings and gifts in Jesus Christ, and to make a way for you to use and express them.

We need the talents you bring and recognize the wisdom of God in bringing you here to Himself and us.

You are welcome here ~

There is more than enough work in God’s kingdom for all of us.

*We are glad you’ve come. ~
Welcome home.*

Quote for the Week - Can Man Be Just a Christian?

At times it appears that in our "Christian world" man is converted to a church rather than to Jesus Christ. Loyalty to a body of believers seems to have priority over allegiance to the Lord Jesus. Although each religion claims faith in the same Bible, because of certain doctrines peculiar to various denominations they separate themselves from one another. Frequently each denomination is divided into a number of sects.

~

Is it possible for man simply to be a "Christian"? Must he separate himself with some denominational name as Baptist Christian, Methodist Christian, etc.? God doesn't divide believers into various denominations--man does. Even with his own church choice, man is frequently at variance with his brother over some biblical understanding. Also, world Bible scholars differ in matters pertaining to Scripture understanding.

~

What authority does one believer have in saying, "I am right and you are wrong," or "I am more honest than you." Certainly the Bible is right, but does it necessarily follow that I am the one who has perfect understanding? Do you ever differ with members of your family over some conviction? Does it mean that you are no longer a member of that family? If there can be no unity in diversity, there is simply no possibility of unity, for we all differ in many things.
